

## SUPERYACHT REPAIR

### MTU DG LO Cooler Restoration in only 2 days

Maritech's technical expertise was requested from the operator of a **12-year-old superyacht** regarding a damage issue on one of its **MTU Diesel Generator sets**. The engine had recently undergone routine overhaul, but while operating leakages occurred.

#### Work Scope:

- Dismantling of the whole unit and dispatch to our premises for inspection & cleaning
- Inspection & Chemical Cleaning
- UV Inspection
- Reassembly and Pressure Test
- Return on-board and Reinstallation

**PROJECT SCOPE:** PHE RESTORATION

**TYPE:** MTU DG LO COOLER  
**LOCATION:** GREECE  
**VESSEL TYPE:** SUPERYACHT
